Dear Brothers and Sisters of St. Paul Parish,

Happy fall from your Rainbow Catholic Schools: **St. Edward, St. George, St. Joseph, St. Paul, St. Therese and Holy Family Bilingual**. We are honored to be YOUR parish schools serving students from preschool (age 3) to 8th Grade.

Last spring, **your Rainbow Schools** graduated 127 fabulous young women and men well-prepared for the academic challenges of high school. A majority of these graduates have enrolled in our esteemed Catholic high schools and are currently registered in honors programs. We are very proud of their academic prowess and most especially, the way they exemplify their faith and Christian values! Thank you for your prayers and financial support in helping them benefit from a Catholic education.

Today, **1409** students from **919** families fill our classrooms, and we are saving a seat for you!

Come see what a positive difference a Catholic education can make for your family. Our highly diverse schools have long traditions of engaging students with academic rigor steeped in strong Catholic values. We work in partnership with you to teach the skills, behaviors and attitudes necessary for learning, and propel students to reach their highest potential. Our graduates make positive differences in their high schools and local communities as leaders and servants of Christ. We offer a variety of specialist classes such as art, music and PE, sports programs, after school clubs and Extended Care programs to enrich our students' lives, and these programs will enrich the lives of your children, too. So come, walk through our classrooms, meet our staff and see our students shine!

Tours and scholarship applications for the 2018-19 are available now. As a Rainbow parish family, you receive our in-parish rate. Because we are committed to being accessible to all families who value Catholic education, tuition assistance is also available to those who qualify. The Fulcrum Foundation also offers scholarships for new and returning families. Visit www.FulcrumFoundation.org for details. Their deadline is January 5, 2018.

We will work hard to make a Catholic education work for your family.
